## The Shakespeare Centre

The Shakespeare Centre for Scouting is a new facility built to replace the original facilities lost in the January 2003 bushfires. The new Centre has been designed to complement the natural bush setting at Camp Cottermouth. Located just 20 km west of Canberra, the Centre is close to ACT tourist and educational sites.

It has a number of environmentally friendly features, such as the use of rain water for toilet flushing and fire fighting, and an all natural worm based sewerage system.

Although specifically designed for youth accommodation, it is also suitable for adult groups, informal conferences, wedding groups and family gatherings.

The facility is available for hire on a self cater or fully catered basis. Unless cabins are booked separately all meals are eaten in the dining hall which has full cooking facilities.

The normal maximum accommodation is 70 persons, but special arrangements can be made to accommodate larger groups at a negotiated cost.

## Accommodation

To meet the needs of all members of your group, the Centre has three types of cabin available for hire.

Standard Cabin— has five double bunks providing beds for up to 10 people.

Table and seating for 10 people.

Accessible Cabin— has been designed to accommodate people with mobility disabilities. This Cabin has three double bunks providing beds for up to 6 people.

Table and seating for 6 people.

Kitchen Cabin— has four double bunks providing beds for up to 8 people. Separate shower, toilet and hand washing facilities.
