

# CUBOREE CAPERS LEADERS\* EDITION

**\*Helpers, Parents, Venturers, Rovers, SNR Guides...**

ACT CUBOREE 2017 - IMAGINE.

## YOU MAKE THIS HAPPEN

Thanks for all your hard work. Cuboree doesn't happen overnight and it could never happen without all of the volunteers who work above and beyond to ensure that each and every Cub and Junior Guide has a great time which they will remember for all of their lives! So thank you to each and everyone of you for pitting your enthusiasm, creativity and sheer determination against the challenges which have been thrown at you. Thank you for doing it with a smile and a joke. You all should be proud to be a part of Cuboree 2017 - Imagine!

## YOU KNOW YOU'RE AT CUBOREE WHEN

- You're not sure if you're tanned or just dirty.
- Custard is it's own food group, drunk out of a cup.
- You co-ordinate your entire wardrobe around your scarf colour, and so does everyone around you.

# CENSORED

- The cooks are your new best friends.
- You fulfill your daily step count before morning tea.
- When you're hungry, but you couldn't eat another piece of fruit.
- You wish you'd borrowed your kids bike.
- You swear this will be your last ever Cuboree.
- You know you'll be back for the next one anyway.
