

# SCOUTS ACT COVID SAFE

## Outdoor Activities – Scouts ACT – Step 7

See Scouts ACT Overview document for broad requirements

Attendance is voluntary, Groups and Units able to determine outdoor activities that can occur

### Maintain good hygiene and cleaning

- Provide sanitiser at all outdoor activities, remind participants to maintain hand hygiene and to practise respiratory hygiene
- Touch surfaces and activity equipment to be regularly sanitised, and minimise sharing of activity equipment

### Stay Physically Distant

- Density restrictions no longer apply during activities and with respect to accommodation arrangements. Tents may be shared.
- 1.5 metres physical distancing is recommended, and handshaking is not recommended
- Vehicles may carry passengers from more than one household
- Comply with food handling and catering restrictions, i.e. no buffet style catering

### Follow Advice

- Stay home when sick, if unwell during the activity will be excluded and arranged to be returned home
- Ensure a pre activity briefing occurs, including information about current restrictions and good practice arrangements
- All adventurous activities are permitted if qualification and approval arrangements are in place, and the Scouting Leader responsible for the technical aspects of the adventurous activity is satisfied to do so. The use of

third party providers for adventurous activities is permitted if the provider meets current COVID arrangements, which may vary according to the jurisdiction

- Adventurous Activities will consider any additional activity specific COVID requirements, and detail these in activity planning and risk documentation prepared as part of the activity approval process
- In the event of an emergency standard emergency response procedures apply
