

COVIDSAFE PLAN

Outdoor Activities – Scouts ACT – Step 3.1

Maintain good hygiene and cleaning

- Provide sanitiser at all Outdoor Activities
- Arrange to the degree possible that all touch surfaces and activity equipment to be sanitised before and after use
- Facilitate maintaining hand hygiene and hand washing regime
- Remind participants to maintain hand hygiene
- Remind participants to practise respiratory hygiene

Stay Physically Distant

- Comply with current government group gathering limits
- Maintain required current government physical distancing requirements, including when on the premises of third party providers, and for accommodation arrangements
- Vehicles may carry passengers from more than one household
- Comply with food handling and catering restrictions, i.e. no buffet style catering
- Where possible, minimise sharing of activity equipment
- No handshaking

Follow Advice

- Stay home when sick
- Exclude yourself and arrange to return home if you become unwell during an activity
- Normal activity approval processes are followed
- Ensure a pre activity briefing occurs, including information about current restrictions and good practice arrangements.

- The following Adventurous Activities are not able to be conducted given close proximity requirements to teach, conduct safety checks, and support - while social distancing restrictions remain in place –

4WD, Abseiling, Archery, Canyoning, Caving, Climbing, Flying, multi person Kayaking boats, multi person Sailing craft

This restriction also applies to third parties providing the above listed adventurous activities

- Permitted Adventurous Activities will consider any additional activity specific requirements, and detail these in activity planning and risk documentation prepared as part of the activity approval process
- In the event of an emergency standard emergency response procedures apply
