

11.2 CANBERRA GANG SHOW

INTRODUCTION

1. Canberra Gang Show contributes, through performing arts, to the youth member training activities in accordance with the Aims, Principles and Methods of the Association. Specifically, it aims to provide opportunities for youth development through training and participation in all facets of theatre.

CANBERRA GANG SHOW AS A SCOUTING ACTIVITY

2. Canberra Gang Show enables young people to develop confidence, teamwork, self-discipline, personal organization and theatrical skills. It offers an outlet for the creativity of youth members and provides a public showcase for Scouting.
3. As a major activity of the ACT Branch, Canberra Gang Show shall clearly be identified and promoted as a Scouting activity. Members of Girl Guides Australia are invited to participate in all facets of Canberra Gang Show.

FINANCIAL MANAGEMENT

4. A budget for Canberra Gang Show must be prepared and submitted to the Branch Executive Committee (BEC) for approval in accordance with ACT Branch Policies and Procedures. While it is possible to make a profit from the Show, this is not the primary aim. The Canberra Gang Show budget should plan to avoid a loss and provide for a suitable contingency amount.
5. The accounts in any given year will be permitted to run in surplus or deficit provided the reason for this state is justified to the BEC when the budget is submitted for approval. Gang Show surpluses when generated must be retained to be applied for a purpose for which approval by the BEC has been granted. Such provisions are intended to enable Canberra Gang Show to acquire and maintain expensive equipment to meet the ongoing nature of the activity and to maintain Aranda and Curtin Scout Halls.
6. The Branch Commissioner shall develop an overall Risk Management Plan for approval by the Assistant Chief Commissioner. Section Heads (Production Director, Technical Director, Business Manager and Personnel Manager) are to prepare detailed plans for their area of responsibility.

ADULT PARTICIPATION
